

CLC® introduces a new, stylish line of mobile device holders and personal organizers for people on the go. No more digging in your pockets or fumbling through your purse to find your cell phone, walkie-talkie, PDA, BlackBerry®, or MP3 player. CLC Keystone™ Series holders are designed to accommodate most popular sizes of mobile devices and allow them to be easily clipped to belts, waistbands, suspenders, or purse straps. A Keystone™ holder makes your mobile device conveniently accessible.
